You know that if you drink regular water from a well or from your town's water tower, you will be thirsty again. God has bottled water for you. Its label reads: "Soul's Thirst Quencher. Drink this and never be thirsty again." Each day you live praise God for his goodness. Be baptized with the waters that cleanse your soul. When you get to heaven, your soul will be satisfied. You will no longer hunger or thirst for God. You will be with him and stay with him forever.
